

We are looking for an experienced groomer to join our, steadily growing, fast paced, grooming salon in Kent Washington. If you have excellent customer service, enjoy working with animals and as part of a dynamic grooming team this is the place for you.

There are several things that set Reber Ranch Grooming Salon apart from other salons including: store hours on Sunday (we are open 7 days a week) as well as having a 14,000 sq. ft. retail store full of premium pet products right outside the clinic to help with all of our client's needs.

Reber Ranch has been in business for over 30 years and is a brand the community has come to associate with excellence. Our Grooming Salon benefits from our reputation and is held to a high standard of professionalism, skills and customer service. It is because of our outstanding staff that we were once again voted "Best Groomer in Kent" for 2015 by readers of the Kent Reporter.

If you have a passion for providing exceptional grooming services and enjoy working as part of a dynamic team we would like to hear from you.
